## Specialties

- Character Design
- Concept Art
- Visual Development
- Graphic Design
- Color Theory

## Profile

Hardworking student, passionate artist, and encouraging leader seeking to further my career opportunities in the animation industry and beyond. I have experience in leadership, project collaboration, character design, and concept art. I have the skill set to work within a group setting or independently.

## Work Experience

### Character Designer

ATEC Animation Lab: August - December 2024

- Curated mood boards, conducted research, and gathered reference material for ATEC's next animated short film
- Utilized weekly critique from Directors to modify designs of characters
- Refined characters as various species, statures, colors, etc.
- Strengthened artistic versatility by catering to desired art style for character designs
- Designed 3 characters for use in the final film

### Cleanup Artist

Belimbing Productions "Prism Connection": March - May 2024

- Redrew and refined linework of 2D animated characters
- Colored characters according to corresponding color palettes
- Ensured proper naming convention and submission location of each cleanup file

### Producer, Writer, Background Artist

The Quarantine Summer School for Animation: July - August 2023

- Producer
  - Coordinated virtual meetings and assigned roles to discuss agenda items and action plans for our main deliverable: "SHOES!" the mini-film
  - Organized assets in Google Drive throughout stages of production
- Writer
  - Wrote lines in script/developed plot of mini-film
- Background Artist
  - Sketched and rendered finalized backgrounds to be used in select scenes of SHOES!
